Julie Hill started Fido Finishing School (competition obedience training) in 1995 in Mandeville, Louisiana. Her working seminars emphasize motivation in the training process. During the obedience seminar on Saturday and Sunday, she will discuss all of the obedience exercises in the context of creating and maintaining “the utmost in willingness and enjoyment,” as well as performance consistency. She incorporates play, games, tricks, and rewards into each phase of training from foundation to advanced. Saturday’s seminar will concentrate on heeling, fronts, and finishes, with Sunday’s seminar delving into Open and Utility. Working participants will have lots of floor time to try out Julie’s methods, and to have problem exercises addressed. Fifteen working spots and unlimited audit spots will be available.
